In this penetrating, nervy memoir, which ricochets between meditation and black comedy, Knighton tells the story of his fifteen-year descent into blindness while incidentally revealing the world of the sighted in all its phenomenal peculiarity.

Cockeyed: A Memoir - Kindle edition by Knighton, Ryan ...

Knighton's title Cockeyed: A Memoir captures and prepares readers for his humorous, never self-protective narrative stance and approach to making blindness work. Although he sustains his irreverence as the narrative unfolds, Knighton also makes tamer concessions to his diminishing vision, such as leaning to use the distinguishing white cane that offers "artificial sight" and a "rickety kind of freedom" (68, 154).
