The Art of Making Beats - cymatics.fm
Making beats has become an art form within the last 30 years with the development of rap and hip hop. Back in the 80's artist like Run DMC, learned how to create groove oriented music that focused more on the beat and less on melody. The result was the development of rap and hip hop.

Making Beats - The Art and the Craft
Based on ten years of research among hip-hop producers, Making Beats is the first work of scholarship to explore the goals, methods and values of this surprisingly insular community. Focusing on a variety of subjects—from hip-hop artists' pedagogical methods to the Afro-diasporic roots of the sampling process to the social significance of "digging" for rare records—Joseph G. Schloss examines the way hip-hop artists have managed to create a form of expression that reflects their creative ...
