Re: rexon vs 13" mastercraft drill press I have a Mastercraft bench top drill press. My first drill press was a small Mastercraft that was useless for anything but drilling 1/8" holes in spruce. I vowed to not buy another. As the story goes, CT put on their biggest bench top drill press on sale at a price I wasn't able to refuse. lol!

8 in. 5 Speed Bench Drill Press - Harbor Freight Tools
All drill presses quote a size: the manufacturer will call it an 8" drill press, or a 14" drill press, for example. This can be a little misleading. What this measurement actually indicates is twice the distance from the center of the chuck, to the front of the column.
