### Writing Extended Response Answers

Good extended-response answers have three parts: a beginning, a middle, and an ending. Beginning. The first paragraph introduces your main idea or position. It begins with a topic sentence. The topic sentence states plainly the point you intend to make in your answer. Often it simply restates the question. Middle

### How to Answer Extended-Response or Essay Questions

Extended Response Prompt: Analyze the arguments presented in the two journal articles. In your response, develop an argument in which you explain how one position is better supported than the other. Incorporate relevant and specific evidence from both sources to support your argument.

### Sample Extended Response Passages and Prompts for ...

Writing Extended Response Questions To write a good extended response question you need to make sure your question allows for a full response. It is a good idea to use 'why' and 'how' to ensure that the response will be detailed and complete Practice: Share an example with a neighbor of a good extended response question about food.

### Answering Extended Response Questions

Your Extended Response paragraph should follow the same paragraph structure as an analytical essay body paragraph. Parts of a good body paragraph: 1. Topic sentence: The very first sentence that clearly states what you are going to be arguing in the paragraph. 2.
